## What is the New Jersey Comfort Partners Program?

Jersey Board of Public Utilities and your electric and gas utilities have joined together under New Jersey's Clean Energy Program to partner with you and your family to save energy and money by making your home more energy efficient.

### Our Commitment to help you reduce energy use

Program representatives will work with you personally, in your home or apartment, to evaluate the current level of energy efficiency in your home. They'll review many factors that affect your energy use – including home heating and cooling, water heating, lighting and major appliances. They'll teach you and your family members new ways to conserve energy and help you create an action plan to support your efforts.

In most cases, program representatives will install energy-saving home improvements to lower your energy costs and improve your health, safety and comfort. Such improvements may include measures such as added insulation, caulking, weather-stripping, energy-saving showerheads and light bulbs – **all at no cost to you**. All work is guaranteed for one year.

Johnson and Johnson*

### Who is Eligible To Participate?

To participate in New Jersey Comfort Partners, you must live in New Jersey and be at or below 225% of the Federal Poverty Guidelines, or participate in one of the Federal/Safety Net Partnership programs listed below:

- Home Energy Assistance Program (HEAP)
- Lifeline
- Pharmaceutical Assistance to the Aged and Disabled (PAAD)
- Section 8 Housing
- Federal Supplemental Security Income (SSI)
- Temporary Assistance to Needy Families (TANF)
- Universal Service Fund (USF)

New Jersey Comfort Partners has the right to verify income. Homes that are 0-5 years old or under builder's warranty are excluded.

### You must Also:

- Be a customer of record with a separately metered electric or gas account and using this home as your primary residence
- Live in a building with 1-14 units that are individually metered (apartment, townhouse, etc.). Buildings with more than 14 units are not eligible.

Participation will be prioritized by energy use with the highest energy users being served first.

For more information or receive a Comfort Partners Program Application, call the program toll-free number: **877-654-9186**
